### **Swimming Lessons Summer Term – Year 3/4**

27<sup>th</sup> March 2023

Dear Parents/ Carers,

I am very excited to remind you about our swimming lessons, which will be starting in Year 3/4 after the Easter holidays at the new Bingham Arena Pool!

We will be swimming on a Wednesday afternoon from **Wednesday 19<sup>th</sup> April to Wednesday 24<sup>th</sup> May**. We will be aiming to leave school at 2pm and will arrive back at school, as previously discussed, for the slightly later time of approximately **3.45pm**.

The swimming school do have some rules which must be adhered to, the children have watched a school swimming safety video and been briefed on how to keep safe whilst at the pool.

Below are some of the additional safety instructions that you as parents/ carers need to be aware of:

- Children must NOT wear any jewellery for swimming. If children are unable to remove jewellery themselves prior to going, jewellery must not be worn on our swimming day.
- Children with long hair must have this tied back in a bobble. Any long fringes must also have an additional bobble to keep this out of eye line. Alternatively, children may wear a swimming hat.
- Children must wear a swimming sock/ verruca sock if they have a verruca, this should not be a reason to not swim.
- Children MUST wear appropriate swimming clothing, a list of what is acceptable and not acceptable is within the **Parent Information booklet** which we have sent out via parent mail.
- Children who require an inhaler must have this in school and take it to the pool.
- If your child has a medical condition that we need to be aware of or plan additional arrangements for, please speak to myself or the school office.

If your child wishes to wear goggles for swimming lessons, this is permitted as long as they match the acceptable goggles that are shown in the Parent Information booklet. To enable your child to wear goggles however, the permission slip attached must be signed and returned to school to give your consent. This must be returned no later than **Thursday 30<sup>th</sup> March 2023**.

We are requesting a voluntary parental contribution to cover the cost of swimming lessons. This payment will need to be made via parent mail and could be paid weekly or termly. The cost per week for swimming is £4.88 weekly and £29.30 termly. If there are any concerns in relation to payment, please do not hesitate to speak to myself or the school office.

Please read the Parent Information Booklet which will be sent via Parent Mail for further information regarding swimming. The school office can provide a paper copy if required.

If you have any further questions please do not hesitate to ask.

Kind Regards,

Miss Mitchell

(Assistant HeadTeacher/ Y3/4 Class Teacher)
