Bingham Primary School and Nursery

6th June 2023

Dear Parents and Carers,

A very warm welcome back to the final term this academic year. I hope that you have all had a lovely half-term and enjoyed the sunshine when it arrived!

Sun Cream and Sun Hats

Please can I ask parents to apply suncream before school and send in sun hats, as the weather is getting warmer, and we have very little shade on the school field. If you need to send suncream into school, it should be labelled and handed to class teachers who will put it in a safe place until lunchtime when your child will be expected to apply it independently. There are some suncreams available that last for the full school day and we would highly recommend these; certainly, for the younger children who find applying sun cream independently difficult.

Event Dates for the Summer Term

The following dates are provisional for events this term. Occasionally in school, we do have to make some changes but will endeavour to keep these dates and inform you as soon as we know, if there needs to be any changes.

Date	Event
Wednesday 7 th June	Y5/6 Swimming
Thursday 8 th and Friday 9 th June	Bike ability for Year 6 (for children with bikes)
Monday 12 th June	Year 1 Phonics Screening Year 4 Times Tables checks
Tuesday 13 th June	Toot Hill Staff to meet Year 6 pupils
Wednesday 14 th June	Parents Meeting for children starting in Reception September 2023
Thursday 15 th June	Y3/4 to participate in Mini-Olympic Tournament
Wednesday 21 st June	Toot Hill Meeting with Year 5 Parents after school.
Thursday 22 nd June	Sports Day
Tuesday 27 th June	Stay and Play for new reception children
Wednesday 28 th June	Summer Reading Challenge
Friday 14 th July	Whole school transition day – meet your new teacher.
Monday 17 th July	Reports to Parents
Tuesday 18 th July	Drop-in parent meetings
Tuesday 25 th July	Year 6 Leavers Assembly, last day of Term

Sending warm water into school

Some parents have asked if they can send warm water into school; for their child to drink as an alternative to the cold tap water available in the classrooms. On a trial basis, for the next month, we will permit warm water to be brought in from home. We have a very strict water-only policy, and it is essential that the temperature of water is no hotter than 40 degrees Celsius. We will be spot checking bottles and water temperatures during this period and will then make a final decision on whether this will be a permanent arrangement.

Kind regards,

A handwritten signature in black ink, appearing to read 'Gayle Ellis', written in a cursive style.

Gayle Ellis, Headteacher
