

Monday 20<sup>th</sup> June 2022

Dear Parents / Carers,

### **Transition Update Information**

I am delighted to invite you and your child to a 'Meet the Teacher' event on Thursday 14th July 2022 from 1pm to 2pm at Bingham Town Sports Club on Moorbridge Road East, as we are unable to hold any events on our school site until the official handover at the end of August.

Many of the teaching staff are currently working in different counties, therefore it has not been possible to arrange pre-school visits, however I would like to reassure you that we will support your child in their transition to school in every way we can.

On Thursday 1st September we will be holding an 'Open Afternoon' at school for our September intake, so children and parents can look around the classrooms and new school building. This will also allow your child to see their teacher again informally before school starts on Friday 2nd September.

Finally, on Friday 9<sup>th</sup> of September, we will be holding a school picnic for all classes from 2:30pm onwards to celebrate our first week and would be delighted if you were able to join us. Further details to follow nearer the time.

If you have any questions or concerns, please contact myself or Yvette Orton our School Administrator.

Kind regards,

Mrs Ellis  
Headteacher
