Sports Day – 22nd June 2023

Dear Parents and Carers,

The children are really looking forwards to Sports Day next week. We will be having a series of races in the afternoon and would like to invite parents to join us!

Children will get changed into their PE kits in school and be ready to start the first race at 14:00 but gate will be open at 13:30 for parents to come into school.

Our school field is very exposed to the sun. We have a number of gazebos for the children and parents which will be set up with chairs but if you would like to bring an umbrella for shade please feel free. You may also wish to bring along a drink to stay cool as the weather looks to be hot again next week!

Kind regards,

A handwritten signature in black ink, appearing to read 'Gayle Ellis'.
